

SPECIALTY LANYARDS

NEO-XW

Neoprene

Meet a new standard in quality and comfort! Our dye-sublimation Deluxe Print is on the outside, with up to six spot colors or 4-color process. The inside has a soft black polyester lining for ultimate neck comfort. This product is available in breakaway or non-breakaway configurations.

Standard options include all black plastic hardware parts for a finished product containing no metal parts.

Currently available in 3/4" width only.

VIN-1

Vinyl

Our sassy new vinyl lanyards offer a groovy look for something a little different. Printing is silkscreen with up to six spot colors, and available widths are 3/8", 1/2" and 3/4". Most of our standard metal and plastic hardware options are available.
